Bio

Deborah Altman is an Intellectual Property attorney with experience that includes managing domestic and international patent and trademark portfolios, preparation and prosecution of patent applications in the chemical arts (organic and inorganic), conducting IP due diligence evaluations of third party IP portfolios for business development, preparation and negotiation of various intellectual property agreements including licensing and joint development agreements, as well as IP provisions of commercial agreements, and conducting freedom-to-practice and infringement investigations.

Before joining The Webb Law Firm, Deborah worked at PPG Industries, Inc. as an Assistant Counsel for PPG's coatings, chemicals and optical products businesses. Prior to attending law school, Deborah worked as a development chemist for PPG's automotive coatings businesses.
