

Plants IP Team

Breeders who know,
use Webb to reap the
full value of their ingenuity

For over 40 years, the Webb Plants IP Team has served the horticulture industry to provide intellectual property protection.

Our Plants IP Team provides comprehensive patent and trademark services to maximize all aspects of horticultural IP.

Webb's thorough and innovative approach to plant and utility patent protections cultivates efficient and cost-effective patent prosecution.

The Plants IP Team:
Brian J. Jackson, Julie W. Meder,
Patricia A. Olosky, and Russell D. Orkin
