Bio

Neil J. Friedrich is an Intellectual Property attorney with expertise in the biomedical and biomaterials fields. He works with various aspects of IP law, particularly focusing on patent and trademark prosecution. Neil received his Bachelor of Science in Biomedical Engineering from Case Western Reserve University and his J.D. from Wake Forest University School of Law. After completing his J.D., Neil completed a year long program at The George Washington University Law School focused on Intellectual Property law and culminating in being awarded his Master of Laws in IP. As part of the Master of Laws program, Neil completed coursework focused on patent enforcement, international patent law, as well as Cyberlaw and trademark law.
