## Bio

Christopher Sherwin is an attorney with a background in mechanical engineering. Chris received his Bachelor of Science degree in Mechanical Engineering from The Pennsylvania State University and has experience in tooling and machining, including wire and Ram electrical discharge machining (EDM) and computer numerical control (CNC) grinding.

Chris is a graduate of the West Virginia University College of Law. He has experience in patent innovation and trademark and copyright counseling. Chris also has extensive experience in patent application preparation and prosecution as well as patent searching, including patentability, invalidity, freedom-to-operate and landscape patent searches. He has an extensive background in trademark searching, trademark application preparation and prosecution, and trademark opposition proceedings representing both Applicants and Opposers.
